SPEAKERS

LARRY McCALL, the author of *Grandparenting with Grace: Living the Gospel with Next Generation* as well as *Loving Your Wife as Christ Loves the Church* and *Walking Like Jesus* serves as the director of Walking Like Jesus Ministries. Larry was gripped by God's saving grace at an early age and had the amazing privilege of being discipled by his parents and by other mentors in his home church. In 1975 Larry married **GLADINE**, his sweetheart since high school days. They have three married children and seven much-loved grandchildren. Larry has had the joy of serving on the pastoral team of Christ's Covenant Church of Winona Lake, Indiana since 1981. He is a graduate of Grace College, Grace Theological Seminary and has a Doctor of Ministry degree from Trinity Evangelical Divinity School. He gets his batteries charged in serving Christ's followers through his speaking and writing ministry, helping them see in clear, practical, gospel-centered ways how to pursue Christ and reflect Him in daily life.
